EQUINOX 165 2300 940 DALI BLACK

2060589

Produkteigenschaften

• Equinox ist eine elegante und innovative Leuchte, die mit der neuesten optischen Technologie entwickelt wurde. Sie ist eine hochwertige und effiziente Beleuchtungslösung für Büro-, Gaststätten- und Einzelhandelsumgebungen. Sie erzeugt inspirierende Halo-Effekte, die durch ein einzigartiges verstellbares optisches System reguliert werden. Es handelt sich um eine dimmbare DALI-Downlight-Leuchte, Farbwiedergabe-Index Ra >90, Farbtemperatur: 4.000 K Neutralweiß, Klasse II, Ausschnittabmessungen: 165 mm. Blendungsarm UGR<19. Oberfläche Tie...

CIBSE TM66

Result				
Category	Points Scored	Maximum possible points	Assessment	
Product design	62.0	134.0	1.9	
Manufacturing	25.2	46.5	2.2	
Materials	9.0	24.0	1.5	
Ecosystem	20.0	43.0	1.9	
Overall performance	116.2	247.5	1.88	

How to analyse the score	
0.0 to 0.5	Very poor circular economy performance
0.5 to 1.5	Some circular economy functionality
1.5 to 2.5	Definite/substantial progress to circularity
2.5 to 4.0	Excellent circularity

Technical Memorandum (TM) 66 describes a Circular Economy’s main aims, how it can be achieved and what it’s practice will mean to the different branches of our industry like specifiers, manufacturers, contractors, and Facilities Managers.

The Circular Economy Assement Method for Manufacturing (CEAM-Make)’s list of 66 searching questions, the majority of which askfor back-up evidence, is split into four sections :

- Product Design : Covering topics such as design for long life and repair
- Manufacturing : Additive and subtractive techniques and localisation
- Materials : Usage of recyclable materials rather than virgin
- Ecosystem : Repair or upgrade services to complement circular economy design

The outcome of the assement is a single figure rating by which product comparisons can be made. A TM66 score demonstrates a product’s performance in the context of a Circular Economy

CIBSE (2021) Circular Economy Assessment Method - Make TM66 Digital Tool beta version 22nd October 2021 (London : Chartered Institution of Building Services Engineers)
