OPTIX E 1200 2L 26W 3250lm 830 ALU

2023660

Caractéristiques de la gamme

- OPTIX E 1200 2L 26W 3250lm 830 ALU - luminaire encastré à haute efficacité et à faible éblouissement pour les applications tertiaires.
- Optique à très faible luminance en polycarbonate finition aluminisée dans une configuration à 2 lignes. Luminaire recouvrable de laine de verre ou isolant acoustique. Très faible scintillement <5%. Température de couleur (CCT) 3000K, IRC>80, consistance des couleurs SDCM<3. Flux lumineux sortant 3250 lm. Puissance consommée 26W. Efficacité lumineuse 125 lm/W. Maintien du flux de L80>107 500h. Eblouis...

CIBSE TM66

Result				How to analyse the score	
Category	Points Scored	Maximum possible points	Assessment	0.0 to 0.5	Very poor circular economy performance
Product design	76	134.0	2.3	0.5 to 1.5	Some circular economy functionality
Manufacturing	23.4	46.5	2	1.5 to 2.5	Definite/substantial progress to circularity
Materials	7	24.0	1.2	2.5 to 4.0	Excellent circularity
Ecosystem	21	43.0	2		
Overall performance	127.4	247.5	1.88		

Technical Memorandum (TM) 66 describes a Circular Economy's main aims, how it can be achieved and what its practice will mean to the different branches of our industry like specifiers, manufacturers, contractors, and Facilities Managers.

The Circular Economy Assement Method for Manufacturing (CEAM-Make)'s list of 66 searching questions, the majority of which ask for back-up evidence, is split into four sections :

Product Design : Covering topics such as design for long life and repair

Manufacturing : Additive and subtractive techniques and localisation

Materials : Usage of recyclable materials rather than virgin

Ecosystem : Repair or upgrade services to complement circular economy design

The outcome of the assement is a single figure rating by which product comparisons can be made. A TM66 score demonstrates a product's performance in the context of a Circular Economy

CIBSE (2021) Circular Economy Assessment Method - Make TM66 Digital Tool beta version 22nd October 2021 (London : Chartered Institution of Building Services Engineers)
