OPTIX LINEAR SURFACE 1200 LUMI 4K ALU

2023852

Productkenmerken

• OPTIX LIN S 1200 LUMI 30W 2870lm 940 ALU - zeer efficiënte, niet-verblindende lineaire opbouw- of pendelarmatuur voor commerciële toepassingen. Individuele montage of in lijn. Optiek met zeer lage luminantie, gemaakt van polycarbonaat met een gealuminiseerde afwerking. Kan bedekt worden met glaswol of akoestische isolatie. Lichtstroom 2870 lm. Vermogen 30W. Rendement 96 lm/W. UGR<19 en lage luminantie<600 Cd/m² bij 65° geschikt voor werkplekken met beeldschermen (EN 12464-1). GR1. IP20, IK07. Klasse I. 850°C. Verwachte levensduur : 6...

CIBSE TM66

Result					
Category	Points Scored	Maximum possible points	Assessment	How to analyse the score	
Product design	76	134.0	2.3	0.0 to 0.5	Very poor circular economy performance
Manufacturing	23.4	46.5	2	0.5 to 1.5	Some circular economy functionality
Materials	7	24.0	1.2	1.5 to 2.5	Definite/substantial progress to circularity
Ecosystem	21	43.0	2	2.5 to 4.0	Excellent circularity
Overall performance	127.4	247.5	1.88		

Technical Memorandum (TM) 66 describes a Circular Economy's main aims, how it can be achieved and what its practice will mean to the different branches of our industry like specifiers, manufacturers, contractors, and Facilities Managers.

The Circular Economy Assessment Method for Manufacturing (CEAM-Make)'s list of 66 searching questions, the majority of which ask for back-up evidence, is split into four sections :

- Product Design : Covering topics such as design for long life and repair
- Manufacturing : Additive and subtractive techniques and localisation
- Materials : Usage of recyclable materials rather than virgin
- Ecosystem : Repair or upgrade services to complement circular economy design

The outcome of the assessment is a single figure rating by which product comparisons can be made. A TM66 score demonstrates a product's performance in the context of a Circular Economy

CIBSE (2021) Circular Economy Assessment Method - Make TM66 Digital Tool beta version 22nd October 2021 (London : Chartered Institution of Building Services Engineers)
